Foreword

This thirteenth volume of the PEANUT is offered to our friends as a portrayal of the efforts Suffolk High School is making to become a symbol of education as conceived by Daniel Webster:

"Knowledge does not comprise all which is contained in the large term, education. The feelings are to be disciplined; the passions are to be restrained; true and worthy motives are to be inspired; a profound religious feeling is to be instilled, and pure morality inculcated under all circumstances. All this is comprised in education."

L. Quimby Hines

We, the Senior Class of 1935, in recognition of his years of faithful and efficient work in behalf of the athletic teams of Suffolk High School do dedicate this thirteenth volume of The Peanut to our coach, Mr. L. Quimby Hines.

ALMA MATER

Suffolk forever!
Her fame shall never die;
Fight for her colors,
We'll raise them to the sky.
Each loyal son
Pledges her his heart and hand,
For her united
We as brothers stand

THE STUDENT SENATE

The Senate, composed of an efficient membership of pupils, has been one of the most active in the history of this governmental body.

Representatives are chosen from each grade and memberships are given the two editors of the paper and the president of the Senior class.

Many projects were begun this year chief of which was the awarding of individual achievement insignias.

AN APPRECIATION

This spring the Nansemond River Garden Club in co-operation with the school authorities made plans for beautifying the landscape around the Jefferson and Suffolk High Schools. The school furnished the necessary labor and grass seed, and paid half the cost of the trees and shrubs.

Shrubbery at the Jefferson School and the High School has been completely rearranged. The Garden Club planted a memorial tree for Mrs. A. R. Miner in front of the Jefferson School.

A clump of shrubs was planted in each corner of the plot around the flag pole. A row of maples was set out along the walk opposite the entrance of the High School and leading to the steps at the side of the building.

Dogwood, weeping-willows, water-paks, and other shrubs were placed in the ravine beside the school, and, in addition, the banks at the back of the school were terraced and sodded.

The Student Body and the administrative officers of Suffolk High School wish to take this opportunity to thank the Nansemond River Garden Club for their splendid work.
